## Belair Great House, Belair, St. Philip

Belair Great House is one of Barbados' most remarkable historic estates, combining timeless plantation architecture, exceptional privacy, and a spectacular oceanfront setting.

Set on over two acres of beautifully landscaped grounds with approximately 300 feet of coastline, this fully restored residence offers five bedrooms in the main house, additional guest accommodation, a swimming pool, tennis court, and expansive outdoor living spaces. More than a luxury home, Belair Great House is a rare opportunity to own a piece of Barbados history in one of the island's most scenic and unspoiled coastal locations.
